Stoneplex G 1000

Solvent free adhesive for interior use for hanging of the Stoneplex product range.

01. Identification of the substance/preparation and of the company/undertaking

Stoneplex G 1000 (4051-04)
Version: 1.0.0 Revision: 06.05.2010
Suppliers: Architects Paper
a brand of A.S. Création Tapeten AG
Street / PO Box: Südstr. 47
Nat.-identification. / ZIP / City / Phone / Fax:
D-51645 Gummersbach
Tel.: +49 (0)2261 / 542 - 0
Fax: +49 (0)2261 / 542 - 369
Emergency information:
+49 (0)5541 7003-41/-61
E-Mail: laboratory@architects-paper.com

02. Hazards identification

Hazard designation: No danger symbols

03. Composition/information on ingredients

Chemical characterization:
Preparation consists of: Vinyl acetate-ethylene-acryl ester-dispersion, calcium carbonate, water, preservative and additives
Hazardous components: None

04. First-aid measures

General: In all cases of doubt, or when symptoms persist, seek medical attention.
After inhalation: No particular measures required. After skin contact: Flush away with water and rinse. After eye contact: Flush with plenty of water. After ingestion: Drink plenty of water. Call a physician.

05. Fire-fighting measures

Suitable extinguishing media: Not combustible under normal conditions. Adapt extinguishing measures to suit the environment. Special risk posed by the substance or by the actual preparation, its combustion products or gases discharged: No particular measures required. Special protective equipment: In case of fire do not breathe fumes. Appropriate breathing apparatus may be required.

06. Accidental release measures

Personal precautions: No particular measures required. Environmental precautions: Do not empty into drains. Methods for cleaning up/colllecting: Take up mechanically. Do not let dry up.

07. Handling and storage

Information for safe handling: Avoid contact with skin and eyes. Information about protection against explosions and fires: No particular measures required. Information about separation of incompatible products: None known. Further information about storage conditions:

Avoid cooling to under 0°C. Do not store outside.

08. Exposure controls/personal protection

Personal protective equipment:
General protective and hygiene measures: Wash hands before breaks and after work. Do not eat or drink during work - no smoking.
Respiratory protection: None
Eye protection: No particular measures required.
Body protection: No particular measures required.

09. Physical and chemical properties

Relevant safety data:
Melting point / range: (1013 hPa) ca. 0 °C
Boiling point / range: (1013 hPa) ca. 100 °C
Flash point: not applicable Abel-Pensky
Ignition temperature: inapplicable
Density: (20 °C) ca. 1,35 g/cm3
Solvent-separation test: (20 °C) inapplicable
Solubility in water: (20 °C) insoluble
pH value: (20 °C / 91 g/l) 8,5 - 9
Viscosity: (23 °C) 32 - 56 Pa.s Haake E100/45 rpm
Additional information:
The physical specifications are approximate values and refer to the used safety relevant component(s).

10. Stability and reactivity

Conditions to avoid: None known. Materials to avoid: Reactions with acids possible Development of CO2.

11. Toxicological information

Toxicological tests: There are no data available on the preparation itself. Experience on practice: According to our data the product is not dangerous with respect to the German chemical law and the meaning of directive 67/548+87/432/EEC .
Additional information: VOC-Directive (2004/42/CE) - Classification: - out of scope

12. Ecological information

Details on elimination (persistence / degradability): There are no data available on the preparation itself. Ecotoxicological effects: None known. Additional ecological information: Do not empty into waters or drains.

13. Disposal considerations

Product: Recommendation: Remove in accordance with local official regulations. Or deposit together with household garbage after hardening.
Waste key: EWC-key number: 08 04 10 or EWC-key number: 17 09 04
Contaminated packaging:
Recommendation: Contaminated packaging must be emptied of all residues and, following appropriate cleaning, may be sent to a recycling plant.
Waste key: EWC-key number: 15 01 02
Uncleaned packaging must be disposed of in the same manner as the medium.

14. Transport information

Additional transport information: The product does not constitute a hazardous substance in national / international road, rail, sea and air transport.

15. Regulatory information

Classification according to EC directives
According to our data the product is not dangerous with respect to the German chemical law and the meaning of directive 67/548+87/432/EEC .
Additional information: VOC-Directive (2004/42/CE) - Classification: - out of scope

16. Other information

Further information: Relevent changes:
15. Additional information. These data are based on our present knowledge.
However, they shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
